# EQUIPPED!

Nebraska Christian College is a special place for special people who, regardless of the vocation for which they are preparing, have a common goal of knowing and doing the will of God in their lives. To that purpose, everyone at NCC is "Equipped" to live effectively as Jesus' disciples in the world of the 1990's and the 21st Century. What we do with the knowledge is up to us. The theme this year was "Equipped For Every Good Work" from II Timothy 3:17. We as students are EQUIPPED! with the knowledge we need to minister to a dying world. Let's go and use what we have learned "for every good work."

# Students Proclaiming the

Throughout the school year students are given many opportunities to minister in the community and surrounding areas. Nebraska Christian College encourages its students to become involved in many forms of ministry. Coming to college doesn't just involve sitting in class, studying for McCoy tests and dorm life. As many students have discovered, the best way to learn is by doing.

This year there were many opportunities to share Christ's love in one-time and continuous ministries. For example, a group went to the Omaha Open Door Mission for a weekend to work with the homeless there. Another weekend trip included Mr. Hopkin's Introduction to Ministry class at the Children's Home in Peterson, IA. Speaking of class trips, Dr. Weber's Introduction to Ministry class had the opportunity to go to Audobon, IA to do some survey work for starting a new church.

Another one-time ministry is the Spring Break Trip. A van load of students gave up Easter with their families to travel down to Winslow, AZ. There, they worked with Doug Bierce (NCC alumni) and his mission work with the Navajo Indians.

It was a great learning experience in culture and ministry.

Ministries that continue throughout the year provide another opportunity to share God's Word. Many students are involved with a ministry of going to the Nebraska State Penitentiary to lead a worship service with the inmates. Also, students are urged to enjoy worship and fellowship at the BelAir Nursing Home once a week.

There are always ways to share Christ in the community we live in. Numerous students voiced their opinion about abortion through the LifeChain, a nationwide event. At Christmas, we ministered to the needs of Norfolk's underprivileged children with a Christmas Party, a fun event. So whether you're playing cards with a homeless person, singing "Amazing Grace" with elderly people, holding a sign, or worshipping behind bars, you can always find a way to share God's love. As you prepare for life at Nebraska Christian College, help others to discover life in His Name.

A trip to survey for a new church was a great success, with three families joining a Bible Study as a direct result.

"I've enjoyed the moral support that is given to us by the students through prayer, concern, and individual attention that you give to us on every visit," says Lois Schnoor about NCC's weekly visit to the Bel-Air Nursing Home. Emma Koehler adds, "I like the singing, prayers, visiting, Bible reading...EVERYTHING!"

The trip to Arizona was more than just a lot of fun. The group went with goals in mind. For example, some wanted to learn how Christians in another culture live, to become closer to God and each other, to admire God's creation, and to open up to God's call to ministry. Everyone felt they accomplished their goals, resulting in, as Dr. Weber put it, an "insightfully spiritual trip."

Melissa Abbink and Marc Gebhard enjoy a friendly chat with a man staying at the Open Door Mission.

# No Love Like His Love

T.P. '92  
G.O.R.F. '93

Agape groups gave NCC students an opportunity to get to know the high schoolers better as they talked about what they had learned during the weekend.

A large ministry of NCC is our outreach to teenagers. We do this through Turning Point for high schoolers and G.O.R.F. (God, Others, Recreation, Fellowship) for junior highers. This year, Willie Coop and Acapella Vocal Band came to help us out with Turning Point, November 6-7. 409 high schoolers came to learn of NO LOVE LIKE HIS LOVE. After we had a few months to recover, we were invaded by 631 junior highers for G.O.R.F., February 5-6, who came to GET AN EDGE ON CHRIST. The weekend came to a rockin' stop with Lisa Bevill in concert. Everyone had a great time at both events. We hope that we were able to strengthen their walk with Christ while providing a fun weekend. Pray for T.P. '93 and G.O.R.F. '94!

Acapella Vocal Band brings a close to Turning Point with a concert of great music and a great message.

Brenda and Beth attempt to memorize everyone's names by giving each other food names, like Brenda Banana.

# Get an Edge on Christ

Through song, dance and message, Lisa Bevill emphasized saving yourself for marriage, staying true to your friends, and giving your all to God.

The G.O.R.F.ers were led in drills to get the feel of boot camp.

# Let There Be Praise

Music is a very large ministry of NCC. We have many small groups that travel on the weekends to different churches, sharing their message in song. This year, the choir as a whole has been very busy. First semester, they sang for Parent's Day, and as always, a lot of work went into the Living Christmas Tree. This year the six performances were filled with music, skits, drama, interpretation for the deaf, and beautiful decorations. Second semester, after many hours of practice and a trial run in chapel, the choir left for a tour of Iowa, Wisconsin, Illinois. The week long tour found them in several different churches where they went to EXALT THE NAME OF THE LORD!

Those involved in small groups this year were: Front Row; Clark Medill, Mike Dainton, Doug Duncan, Tiffon Hughes, Janet Wood, Tammi Larsen. Second Row; Holly Maas, David King, Tara Estes, Brenda Moorhead, Michelle Brand. Third Row; Shane Coop, Ken Parton, Matt Beckner, Steve White, Shannon Bright. Not Pictured; Beth Ludwick, Molly Thompson, Darrin Curry, Karalee Killian, Heather Hemelstrand, Carla Umstot, Loren Boley, Nathan Powell, Jane Dukes, Chris Ogle, Donelle Casey, Katie Lohman, Chris Duncan, and Dan Cleveland.

The choir finished their concert tour with an evening of sharing their music at First Christian Church.

# Proclaiming the Word

For we do not preach ourselves, but Jesus Christ as Lord, and ourselves as your servants for Jesus' sake. For God, who said, "Let light shine out of the Darkness," made His light shine in our hearts to give us the light of the knowledge of the glory of God in the face of Christ.

# Uniting the Campus Through Fun and Fellowship

Getting involved. Campus unity. Fun activities. What do all these have in common? They are the words describing the 1992-93 Activities Committee.

The Chairman of this group is Julie DeFor. "We are a very exciting and creative group and have a lot of fun planning activities for the student body," states DeFor.

This year's activities have brought new and exciting things on campus. The committee tries to plan something once a month to help achieve campus unity.

The committee has planned many successful events, including: both Fall and Valentine formals, a costume contest, a skating party, a scavenger hunt involving the community of Norfolk, a Christmas decorating contest, and bowling.

"We (the committee) have enjoyed every minute of planning activities, we hope you have too," says Julie.

# The Parson Press Keeping the Campus Informed

"DID WE WRITE THIS?"

## OUT-REACH

The goal of the "Parson Press", the first monthly newspaper in NCC history, was to get students involved and to encourage participation from the whole student body. The main purpose of the newspaper is to have a "fun to read" yet "spiritually uplifting paper", states editor Suzi Aldridge. The newspaper has had positive response not only from the students, but from the staff as well. All members of the staff are committed to getting the paper out on time. These hard working staff members include; Suzi Aldridge, editor; Shannon Bright, production; Lee Searcey and Ed Boykin, assistant production; Tina Leonard, proofreader; and Melissa Abbink, Michelle Brand, John Goetz, Brian Kindley, Marc Gebhard, and Jenny Schmitt as reporters. Thanks guys for a great paper!!

# The Global Gospel Team Reaching Out

The Gospel is Good news  
from God!

The Global Gospel Team, as a committee, focuses on missions, ministries that reach the world. First semester they took part in the National Missionary Convention and planned Missions Emphasis Week for NCC students. This week was a time to remind students of how important missions are, and for each student to seriously consider it as a vocation. Roger and Joey Fletcher, missionaries to the Philippines, and Al and Ronda Juve, missionaries to Japan, were the speakers during this week.

R. Fletcher and A. Juve both shared with the students in chapel and both couples related missionary experiences in different classes throughout the week.

During this time, students were given a glimpse of what it is like to be a missionary serving in another country, and were challenged to experience for themselves spreading God's Word.

And the gospel must first be preached  
to all nations.

Mark 13:10

The 1993 Global Gospel Team reaches to the community and beyond.

# Committee Challenges Student Growth

Jesus answered, "It is written: 'Worship the Lord your God and serve him only.'"

Luke 4:8

Whoever serves me must follow me; and where I am, my servant also will be. My Father will honor the one who serves me.

John 12:26

All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work.

2 Timothy 3:16,17

**1992-93 SPIRITUAL LIFE COMMITTEE** (l-r) First Row: Nicole Williams, Amy Widman, Scott Anderson, Bobbie Williams. Second Row; Verla Hull, Shawn McCance, Cheryl Cobb, Jenny Schmitt.

The Spiritual Life Committee's main objective is to focus students attention on the spiritual aspect of their lives. Their activities include planning Rush Week, September 21-24. The week's Monday night devotion took place at the bridge with the traditional "sparking" event. Tuesday night there was a Shechinah concert. Wednesday a sunrise service was held followed by an evening at Fountain Park where the students washed each other's feet. Thursday's devotion was a bonfire, in which students were challenged to "throw their sins into the fire."

The Committee's second semester activities included Challenge, February 17-20. The speaker was Greg Turner, who spoke at Valentine Formal, a chapel service and devotion. The theme this year was GET VERTICAL WITH CHRIST!

# Welcome Newcomers

Who is this? New dorm mom Dorothy Cripps, and new professor Dr. Bill Weber get off to a good start!

Dorothy Mae Cripps (Mom) was born May 21, 1937, in the small town of Albion, Iowa. When she was seventeen, she married her husband and they had three daughters and one son. During their marriage, they housed a total of sixty foster children. They adopted one and raised three others. She and her husband enjoyed twenty-six happy years together before he passed away.

Before coming to NCC, Dorothy worked at the Iowa Veteran's Home in Albion, Iowa, as a housekeeper. When her oldest daughter attended Ozark Christian College, Dorothy first felt the calling to be a dorm mom at a Christian college.

Dorothy loves the students here at NCC, and feels there is a Christian atmosphere. Also, she feels that people here work well together and there isn't a problem with back-biting.

Dorothy's hobbies are bowling, crocheting, and embroidering. She collects chickens, Precious Moments, and spoons. One only has to take one look at her apartment to see that.

Dorothy's favorite memories are her wedding day and the birth of her four children. She plans to stay at NCC as long as her health will allow her.

**we're  
glad  
you're  
here!**

Dr. Bill Weber was born on January 30, 1948 in Viroqua, Wisconsin (the same day as Ghandi's assassination). He and his wife Verna have been married for almost 24 years and have two children, Miki (a freshman at NCC) and Donovan. All four members of his family were born in a different state. His favorite hobby is collecting toy tractors.

Dr. Weber attended NCC and was president of the student body his senior year. While in Bible college, he felt his call to become a missionary. At that time, he felt Europe was the place for him to begin his work. He wrote a letter to a missionary in Europe, but the letter went unanswered. Dr. Weber feels if the letter had been answered, he would have become a missionary ten years earlier. Instead, Dr. Weber and his family ministered in Lincoln, Ne. for seven years before going to the mission field.

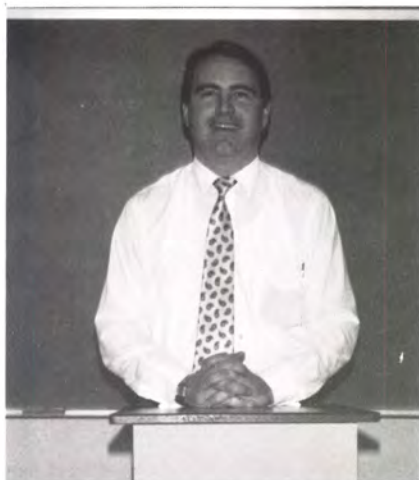

Dr. Weber did realize his call to the mission field and has been a missionary in South Africa for the past twelve years. Upon their return to the United States, the family had to leave many friends behind. One of the most difficult goodbye's was said to their dog Penny who was put to sleep because she had become old and sick.

Dr. Weber loves his job as a missionary and professor at Nebraska Christian College. He has never done anything he hasn't enjoyed in his ministry. The things that Dr. Weber enjoys the most about NCC is preparing people for ministry, and Rose's meatloaf.

Holly Maas and Mike Dainton make the perfect Valentine King and Queen

It's a dream come true for Verla Hull as she's serenaded by four handsome men (Paul Steele, Brian Smith, Steve Brewer, and Steve White)

Valentine Formal was held this year for the first time at First Christian Church. The Activities Committee spent a lot of time decorating for the special event. The Masters of the Ceremonies were Mr. and Mrs. Dick Bruner. The speaker was Mr. Greg Turner, who also shared with us throughout Challenge Week. The royalty as chosen by the student body were crowned at the end of the evening by last year's King and Queen, Clark Medill and Stephanie Reynolds. The student body must really think Mike Dainton and Holly Maas are a cute couple, as they were chosen King and Queen.

# In The Beginning...

The Guy B. Dunning Lectureship was held on October 7 & 8. The school was honored to have Knofel Staton presiding over the lectures, asking important questions like: "God, what did you begin?; Jesus, what did you resume?; and Church, what will you do?" Dr. Staton was an inspiration and actually made some of us think!!!

September 25 was Parents Day on the NCC campus. Special activities were planned in which the students could make ma and pa proud. For example, the ensembles and choir performed during the luncheon. Special speakers at the evening banquet were Mrs. Patty Medill, Clark's mom, Mr. Harry Coffin, Randy's dad, and Mr. Jim Tageson, father of Scott.

MMM!! That feels mighty good! (Mrs. Moorhead and Ken Parton)

*Rejoice, and again  
I say -  
Rejoice!*

# Student Involvement...

**OUT-REACH**

Molly Thompson

Molly Thompson sang the National Anthem at the opening of the Johnny Carson Theater at Norfolk Senior High

As students of Nebraska Christian College, we are all training to be models of Christ in the church and in the community. But freshman Amy Conway has interpreted her job a little differently from the rest of us. Amy has been modeling professionally for the last two-and-a-half years. She began by attending modeling school where she was trained in all areas necessary to become successful in the competitive world of professional modeling.

Amy enjoys modeling because it allows her to take on different personalities. One of the worst parts, Amy feels, is having to do something at the last minute or on the spur of the moment. It is rewarding, however, and Amy feels she has learned many things from modeling. For example, Amy feels the most important thing she has learned is how to be more outgoing and be more comfortable in front of people.

You can read more about Amy and her career in the Norfolk Daily News February 27 edition of the Insight '93, an annual supplement on life in Norfolk.

Her first job was through the school and involved working in a large mall. Many diverse jobs have followed, including runway, photo, and mannequin modeling. Amy has modeled for such companies as Macy's, Gottomchalks, and Casual Corner.

# Awards Time

What are we doing in these clothes? Dr. Richard Brown and Chuck McCoy ham it up at the Spring Awards Banquet.

Many things happened at the Spring Banquet this year. Not only did the faculty make fools of themselves in front of the student body, but many people were honored. Many awards were given including, the Lion's Club Music Award, the most valuable freshman, most improved players, and most valuable players, as well as many different athletic letters. Those who had achieved academic excellence were given their honor cords to be worn at commencement. Finally, Ken Parton received two special awards for his choice of bathroom etiquette.

**EQUIPPED FOR  
VICTORY**

This year's volleyball team had some ups and downs, but they weren't down and out. Against tough competition, the volleyball team finished with an overall mark of 5-13. They started out slow but improved as the season went on. Along with receiving fourth at conference tournament, there were three players named to the All Conference Teams.

Those honored included: Nicole Williams, All Conference second team, Shannon (Arrick) Horton, All Conference MVP and All American team, and Suzi Aldredge, All Conference first team. Despite the record, the Lady Parsons were full of enthusiasm and enjoyed the practices and games. Every player can be proud of their efforts and achievements.

IT WAS THIS BIG--HONEST!

says Monica Blake

The 1992-93 Lady Parson's basketball team took a flying leap into the season making it their first in five years. Working together the girls played hard and came out with sixth place in the Conference.

Freshman post, Jolene Schweitzer said, "Overall we did a good job. We played hard and to the best of our ability, considering it was our first season."

Katie Lohman, freshman guard, felt "The team worked hard, we could have been better but it's not due to lack of effort." Next year Lohman feels the team should be better because they will have more confidence and new recruits to help with the team.

Ok, through the window, off the scoreboard, off the floor, off Paul Steele's head. Nothing but net. The boy's basketball team took the challenge and after a rocky start, succeeded. With 19 wins and 9 loses they came back for an awe inspiring victory at the Division II Championships. Kirk Evans received the tournament's most valuable player while Clark Medill won All Conference first team, All American, and second team All Tournament. Phil Turner squeaked by with first team All Tournament. Good Job Guys!

# EQUIPPED!

Believe it or not, the 1992-93 school year is almost over. This year, like most, has brought many changes to campus life at NCC. The prime example of this, in my opinion, is the revival of the annual. It has been almost fifteen years since the last NECCourier came off the press (by the way, The "NECCourier" has been the title for the annual since 1955. It means: "Messenger of Nebraska Christian College), and as we draw closer to the deadline, I can see why it hasn't been attempted for so long. I do hope that the tradition of the yearbook will be revived and continued as long as there are students at Nebraska Christian College, and I feel honored to have been the editor of the yearbook this school year.

As my staff will readily acknowledge, I am a very inexperienced editor. I pray you will keep that in mind as you come across the veritable plethora of errors found in the annual. (However, I can always say I didn't want next year's editor to feel intimidated so I made it easy for him to make improvements). Because of my inexperience, I relied heavily on the knowledge of several people, without whom the yearbook could not have been completed.

First of all, the entirety of my staff. Everyone did an excellent job and I feel privileged to say you were my staff. Verna Weber was a fantastic and upbeat advisor, who took time out of her hectic schedule to answer all of my stupid questions. Derby Johnson was kind enough to allow us to use his computer after office hours, and First Christian Church allowed us to use their laser printer for the headlines.

Thank you Dad (Dr. Brown), for all the last minute advice, answers, ideas, and encouragement. The printing was done by Norfolk Printing Company, who did a great job! The yearbook could not have happened except for these and many more, who gave of their time and expertise to make this the best yearbook possible.

I pray that as you look through the pages of the annual, you will be reminded of the friends, professors, fun times, and classes, and truly feel you were thoroughly EQUIPPED! for every good work.
