Enthusiastics to Puerto Rico

The Enthusiastics will be singing at the main session of the NACC in Kansas City on Wednesday evening, July 28. Following the convention they will be doing a concert tour to Florida. They will fly from Miami to San Juan, Puerto Rico, where they will spend about a week working with missionaries there. NCC alumni and interns presently ministering in San Juan are Audrey

McKean ('67), Meredy McClenahan, Gerald Martin ('65-Military Chaplain), Beth Woodbury, and Tammy Kelsey (Student Interns). Audrey McKean requested the visit of the Enthusiastics and has been planning their activities while there. The Enthusiastics have been working throughout the past school year to raise their own travel funds through special performances and support from their home churches.
